I hope this email finds you in good health and high spirits. I am writing to express my heartfelt gratitude to DY Patil Institute of MCA and Management for providing an exceptional learning environment and a platform that has been instrumental in shaping my career.

I am thrilled to share that I have been placed at Posit Source Technologies as an Associate Software Engineer. This milestone would not have been possible without the comprehensive support and resources I received during my time at the institute.

The personalized attention through the GFM (Guardian Faculty Member) counseling sessions was immensely helpful. These monthly one-on-one sessions allowed us to share our feedback, address our queries, and find solutions to challenges with the guidance of our GFMs. I am especially grateful to my GFM, **Mrs. Sapna Sharma**, for her unwavering support and encouragement throughout these sessions. Her guidance and care played a pivotal role in my growth.

Furthermore, the institute's focus on industry readiness through seminars by industry professionals provided us with valuable insights into how the corporate world functions. These sessions equipped us with the knowledge and confidence to excel in our professional journeys.

I also want to express my appreciation for the certification courses offered in collaboration with prestigious institutions like **IIT Bombay and NASSCOM**, which enhanced our technical skills and employability. Additionally, the numerous opportunities for co-curricular activities ensured our holistic development and boosted our confidence.

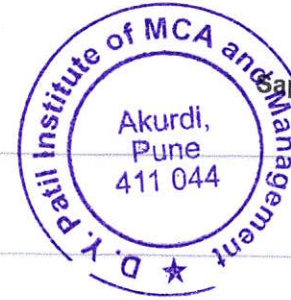

Once again, I extend my sincere thanks to the faculty and administration for their dedication to nurturing students and preparing us for a bright future. I am proud to be an alumna of DY Patil Institute of MCA and Management and will always cherish the foundation it has provided me.

Warm regards,
